Electronic Soap Dispenser with Touch₂O_{xt}® Technology 72065T

- DIAMOND™ Seal Technology uses a tough diamond-embedded ceramic valve to ensure like-new operation for the life of the faucet.
- Touch₂O® Technology makes kitchen tasks easy by starting and stopping the water with a simple touch on the spout or handle.
- TempSense™ feature measures the temperature of the water and changes the LED color as the water temperature changes.
- MagnaTite® Docking keeps the spray wand firmly in place when not in use.
- Water-efficient faucets: Delta Faucet Company is proud to be the EPA's 2011, 2013 and 2014 WaterSense® Partner of the Year and the 2015 and 2016 Sustained Excellence Award Winner.

Soap Dispenser RP1001
