

Traditional style meets modern technology.

Classical design and smart solutions come together in the Cassidy Kitchen Collection.

- DIAMOND™ Seal Technology allows Cassidy faucets to last up to 10 times longer than the industry standard*.
- Touch2O® Technology makes kitchen tasks easy by starting and stopping the water with a touch.
- MagnaTite® Docking keeps the spray wand firmly in place when not in use.
- Water-efficient products help conserve water in the kitchen.
- Optional escutcheon RP71545 available for all pull-down and pull-out models.
- The Cassidy Bath Collection is available to coordinate styles throughout the home.

*Industry standard based on ASME A112.18.1 of 500,000 cycles.

DIAMOND Seal Technology—
A tough, diamond-coated valve
lasts up to five million uses.

Single-Handle Pull-Down with
Touch2O Technology
9197T-AR-DST

1 or 3-hole installation
Order RP71545AR for
optional escutcheon
