

Modern design outside. Smart technology inside.

Sleek minimalist design makes Trinsic the perfect compliment to today's modern home.

- DIAMOND™ Seal Technology allows Trinsic faucets to last up to 10 times longer than the industry standard.*
- Touch2O® Technology makes kitchen tasks easy by starting and stopping the water with a touch.
- MagnaTite® Docking keeps the spray wand firmly in place when not in use.
- Water-efficient products help conserve water in the kitchen.
- Optional escutcheon RP64070 available for all pull-down and pull-out models.
- The Trinsic Bath Collection is available to coordinate styles throughout the home.

*Industry standard based on ASME A112.18.1 of 500,000 cycles.

MagnaTite® Docking—
A powerful magnet keeps the wand in place when not in use.

Single-Handle Pull-Down with Touch2O Technology 9159T-DST with RP1002 Soap Dispenser

For 4-hole installation, order RP64070 deckplate, Available in CZ finish
