

Take the guesswork out before you get in.

Get the right temperature every time. An LED display shows the temperature as well as a specific color for the temperature range. Enjoy the convenience of knowing when the temperature is right for you.

Temp₂O Handshower and Showerhead Features:

H₂O Powered—Temperature display is water powered; no batteries required.

6 Spray Settings—Full Body Spray, Massage, Full Body with Massage, Shampoo, Shampoo with Massage, and Drenching Spray.

Touch-Clean® Spray Holes—Touch-Clean soft, rubber spray holes allow you to easily wipe away calcium and lime buildup with the touch of a finger.

Push-Button Spray Control (Handshower Only)—Switch quickly between spray settings with a simple, one-handed click of the spray button.

Temp₂O Tub & Shower Features:

H₂Okinetic® Showerhead—Unique wave pattern creates the feeling of more water, without using more water.

Self-Cleaning H₂Okinetic Spray Holes—Oscillating pattern of the water helps prevent buildup of mineral deposits.

Touch-Clean® Spray Holes—Soft rubber spray holes allow mineral deposits to be wiped away with the touch of a finger.

Battery-Powered—Temperature display uses 3 AAA batteries that are in a water-tight housing behind a convenient twist-and-lock trim.

Valve-Only Option Available—Order any 14 Series handle and any showerhead separately to create a custom look.

Three Styles—Traditional, Transitional and Angular Modern.

Five Finishes—Available in Chrome, Polished Nickel, Champagne Bronze™, Brilliance® Stainless and Venetian Bronze®.

Shown in Brilliance® Stainless.
