HydroRain™ Two-in-One Shower Head
58580-PK

- HydroRain™ Two-in-One Shower Head installs in minutes. Simply twist the shower head onto the shower arm.
- Use the raincan only, shower head only or both at the same time for a luxurious, spa-like shower experience.
- Raincan shower head pivots 40° for broadened coverage.
- Touch-Clean® Spray Holes allow you to easily wipe away calcium and lime build-up with the touch of a finger.
- Features an ultra-wide raincan spray and five other spray settings, including: Full Spray, Massage Spray, Full Spray with Massage, Shampoo Rinsing Spray and Pause
- WaterSense labeled faucets and showers – Delta Faucet Company is proud to be the EPA's 2011, 2013 and 2014 WaterSense® Partner of the Year and the 2015 Sustained Excellence Award Winner.

 = WaterSense® Labeled Product

 = Water-Efficient Products—Flow rate of 2.0 gpm versus Industry Standard ASME A112.18.1/CSA B125.1 of 2.5 gpm.
