Order RP92233 for optional escutcheon

Metal Soap Dispenser RP91950

- DIAMOND® Seal Technology uses a tough diamond-embedded ceramic valve to ensure like-new operation for the life of the faucet.
- Touch₂O® Technology makes kitchen tasks easy by starting and stopping the water with a simple touch on the spout or handle.
- TempSense® feature measures the temperature of the water and changes the LED color as the water temperature changes.
- MagnaTite® Docking keeps the spray wand firmly in place when not in use.
