

LELAND® KITCHEN COLLECTION

The Leland Kitchen Collection is a perfect combination of traditional style and modern functionality.

- DIAMOND™ Seal Technology allows Leland faucets to last up to 10 times longer than the industry standard.*
- Touch2O® Technology makes kitchen tasks easy by starting and stopping the water with a touch.
- TempSense™ Technology measures the temperature of the water and changes the LED color as the water temperature changes.
- MagnaTite® Docking keeps the spray wand firmly in place when not in use.

*Industry Standard based on ASME A112.18.1 of 500,000 cycles.
