

# EMERGE® SHOWER COLUMN

UPSCALE. ADAPTIVE. IMPACTFUL.

see what Delta can do™

Transform a showering space—without additional plumbing—into a European-inspired spa.

- Achieves impactful remodels by eliminating need for valve modifications behind the wall.
- Three-way diverter allows for single or shared operation with any Delta® shower head and hand shower.
- Integrated hose supply; no need for additional supply elbow.
- Available in both 18" for shower applications and 26" for tub/shower applications.
